PREHEARING ORDER

As you have been previously notified, I am designated to preside over this proceeding. This proceeding will be governed by the Consolidated Rules of Practice Governing Administrative Assessment of Civil Penalties and the Revocation or Suspension of Permits, 40 C.F.R. §22.1 et seq., (“Rules of Practice”). The parties are advised to familiarize themselves with the applicable statute(s) and the Rules of Practice.

Agency policy strongly supports settlement and the procedures regarding documenting settlements are set forth in Section 22.18 of the Rules of Practice, 40 C.F.R. §22.18. The record reflects that the parties have engaged in settlement discussions as part of an alternative dispute resolution process and, while those discussions to date have not been fruitful, the parties are nevertheless commended for taking the initiative to attempt to resolve this matter informally and expeditiously. Each party is reminded that pursuing this matter through a hearing and possible appeals will require the expenditure of significant amounts of time and financial resources. The parties should also realistically consider the risk of not prevailing in the proceeding despite such expenditures. A settlement allows the parties to control the outcome of the case, whereas a judicial decision takes such control away. With such thoughts in mind the parties are directed to engage in a settlement conference on or before **November 28, 2008**, and attempt to reach an amicable resolution of this matter. The Complainant shall file a status report regarding settlement on or before **December 5, 2008**. If the case is settled, the Consent Agreement and Final Order signed by the parties should be filed no later than **December 26, 2008**, with a copy sent to the undersigned.

Should a Consent Agreement not be finalized on or before the latter date, the parties must prepare for hearing and shall strictly comply with the prehearing requirements of this Order.

This Order is issued pursuant to Section 22.19(a) of the Rules. Accordingly, it is directed that the following prehearing exchange take place between the parties:

1. Pursuant to Section 22.19(a) of the Rules, each party shall file with the Regional Hearing Clerk and shall serve on the opposing party and on the Presiding Judge:

(A) the names of the expert and other witnesses intended to be called at hearing, identifying each as a fact witness or an expert witness, with a brief narrative summary of their expected testimony, or a statement that no witnesses will be called;

(B) copies of all documents and exhibits intended to be introduced into evidence. Included among the documents produced shall be a curriculum vita or resume for each identified expert witness. The documents and exhibits shall be identified as Complainant's or Respondent's exhibit, as appropriate, and numbered with Arabic numerals (e.g., CX 1 or RX 1); and

(C) a statement as to its views as to the appropriate place of hearing and estimate the time needed to present its direct case. See Sections 22.21(d) and 22.19(d) of the Rules. *Also state if translation services are necessary in regard to the testimony of any anticipated witness(es), and, if so, state the language to be translated.*

2. In addition, the Complainant shall include the following as part of its Initial Prehearing Exchange:

(A) a copy of any report(s) of the inspection referenced in Paragraph 10 of the Complaint, along with any photographs (color), videos, site maps, diagrams, illustrations, and/or field notes taken or created by inspector(s) during the inspection, which are relevant to allegations in the Complaint;

(B) a copy of any documents in support of the allegations in Paragraphs 11-13, 15-17, and 19 of the Complaint;

(C) a narrative statement explaining in detail the calculation of the proposed penalty for each count, addressing each factor listed in Section 113(e) of the Clean Air Act, and a copy of any documents in support;

(D) a copy of any "penalty policy" or any amendment or clarification thereto upon which Complainant has relied upon, or intends to rely upon, in consideration of a proposed penalty assessment, *other than* the EPA's Clean Air Act Stationary Source Civil Penalty Policy, Appendix X thereto, and the Modification to EPA Penalty Policies to Implement the Civil Monetary Penalty Inflation Adjustment Rule; and

(E) a statement regarding whether the Paperwork Reduction Act of 1980 (PRA), 44 U.S.C. §3501 et seq., applies to this proceeding, whether there is a current Office of Management and Budget control number involved herein and whether the provisions of Section 3512 of the PRA are applicable in this case.

3. In addition, the Respondent shall include the following as part of its Prehearing Exchange:

(A) a narrative statement explaining in detail the factual and/or legal bases for the Second and Fourth Defenses set forth in the Answer, with a copy of any documents in support;

(B) a copy of the correspondence dated June 11 and June 17, 2008, referenced in the Third Defense;

(C) if Respondent takes the position that it is unable to pay the proposed penalty, a copy of any and all documents it intends to rely upon in support of such position; and

(D) if Respondent takes the position that a penalty should be reduced or eliminated on any other grounds, a copy of any and all documents it intends to rely upon in support of such position.

4. Complainant shall submit as part of its Rebuttal Prehearing Exchange a statement and/or any documents in response to Respondent's Prehearing Exchange submittals as to provisions 3(A) through 3(D) above.

The prehearing exchanges called for above shall be filed pursuant to the following schedule:

- December 26, 2008** - Complainant's Initial Prehearing Exchange
- January 16, 2009** - Respondent's Initial Prehearing Exchange, including any rebuttal
- January 30, 2009** - Complainant's Rebuttal Prehearing Exchange

Section 22.19(a) of the Rules of Practice provides that, except in accordance with Section 22.22(a), any document not included in the prehearing exchange shall not be admitted into evidence, and any witness whose name and testimony summary are not included in the prehearing exchange shall not be allowed to testify. Therefore, each party should thoughtfully prepare its prehearing exchange. Any supplements to prehearing exchanges shall be filed with an accompanying motion to supplement the prehearing exchange.

The Complaint herein gave the Respondent notice and opportunity for a hearing, in accordance with Section 554 of the Administrative Procedure Act (APA), 5 U.S.C. § 554. In its Answer to the Complaint, the Respondent requested such a hearing. In this regard, Section

554(c)(2) of the APA sets out that a hearing be conducted under Section 556 of the APA. Section 556(d) provides that a party is entitled to present its case or defense by oral or documentary evidence, to submit rebuttal evidence, and to conduct such cross-examination as may be required for a full and true disclosure of the facts. Thus, the Respondent has the right to defend itself against the Complainant's charges by way of direct evidence, rebuttal evidence or through cross-examination of the Complainant's witnesses. Respondent is entitled to elect any or all three means to pursue its defenses. If the Respondent intends to elect only to conduct cross-examination of Complainant's witnesses and to forgo the presentation of direct and/or rebuttal evidence, the Respondent shall serve a statement to that effect on or before the date for filing its prehearing exchange. **The Respondent is hereby notified that its failure to either comply with the prehearing exchange requirements set forth herein or to state that it is electing only to conduct cross-examination of the Complainant's witnesses, can result in the entry of a default judgment against it.** The Complainant is notified that its failure to file its prehearing exchange in a timely manner can result in a dismissal of the case with prejudice. **THE MERE PENDING OF SETTLEMENT NEGOTIATIONS OR EVEN THE EXISTENCE OF A SETTLEMENT IN PRINCIPLE DOES NOT CONSTITUTE A BASIS FOR FAILING TO STRICTLY COMPLY WITH THE PREHEARING EXCHANGE REQUIREMENTS. ONLY THE FILING WITH THE HEARING CLERK OF A FULLY EXECUTED CONSENT AGREEMENT AND FINAL ORDER, OR AN ORDER OF THE JUDGE, EXCUSES NONCOMPLIANCE WITH FILING DEADLINES.** The parties are advised not to include, attach or refer to any terms of settlement offers or agreements in any document submitted to the Presiding Judge, and no copies of Consent Agreements and Final Orders shall be submitted, or attached to any document submitted, to the Presiding Judge except those that are fully executed and filed with the Regional Hearing Clerk.

Prehearing exchange information required by this Order to be sent to the Presiding Judge, as well as any other further pleadings, if sent by mail, shall be addressed as follows:

If any party wishes to receive, by e-mail or by facsimile, an expedited courtesy copy of decisions and substantive orders issued in this proceeding, the party shall submit a request for expedited courtesy copies by letter addressed to Maria Whiting-Beale, Legal Staff Assistant, Office of Administrative Law Judges, U.S. Environmental Protection Agency, Mail Code 1900L, 1200 Pennsylvania Ave. N.W., Washington, D.C. 20460. The letter shall include the case docket number, the e-mail address or facsimile number to which the copies are to be sent, and a statement as to whether the party requests: (A) expedited courtesy copies of the initial decision and/or any orders on motion for accelerated decision or dismissal, or (B) expedited courtesy copies of all decisions and substantive orders. The undersigned's office will endeavor to comply with such requests, but does not guarantee the party's receipt of expedited courtesy copies.

Prior to filing any motion, the moving party is directed to contact the other party or parties to determine whether the other party has any objection to the granting of the relief sought in the motion. The motion shall then state the position of the other party or parties. The mere consent of the other parties to the relief sought does not assure that the motion will be granted and no reliance should be placed on the granting of an unopposed motion. Furthermore, all motions which do not state that the other party has no objection to the relief sought must be submitted in sufficient time to permit the filing of a response by that party and the issuance of a ruling on the motion, before any relevant deadline set by this or any subsequent order. Sections 22.16(b) and 22.7(c) of the Rules of Practice, 40 C.F.R. §§22.16(b) and 22.7(c), allow a fifteen-day response period for motions with an additional five days added thereto if the pleading is served by mail. Motions or responses not filed in a timely manner may not be considered.

The Office of Administrative Law Judges has access to videoconferencing facilities, which facilitate oral arguments on motions. Upon the filing of a motion, a response to a motion, or a reply to a motion, any party may submit a written request for an oral argument on the motion, pursuant to 40 C.F.R. § 22.16(d). Such request shall state whether videoconferencing is desired and whether the opposing party or parties object(s) to such oral argument. Such request may be granted, in the undersigned's discretion, where further clarification and elaboration of arguments would be of assistance in ruling on the motion.

If either party intends to file any dispositive motion regarding liability, such as a motion for accelerated decision or motion to dismiss under 40 C.F.R. § 22.20(a), it shall be filed **within thirty days after the due date for Rebuttal Prehearing Exchanges.**
