UNOPPOSED STATUS REPORT

The Environmental Protection Agency Region 6 (Complainant) submits this statement with respect to the status of this matter.

The parties have a settlement-in-principle which includes a Supplemental Environmental Project (SEP) proposed by Respondent. Complainant has shared a draft Consent Agreement and Final Order with Respondent which includes approval of the proposed SEP. However, the Regional Administrator wants to discuss the SEP with the Isleta Pueblo because, although it is not a party, it at one time claimed it was affected by Respondent's discharge. The Regional Administrator is still attempting to contact the Isleta Pueblo.

Respondent has reviewed this statement and is not opposed to its contents.

Respectfully submitted,

Ellen Chang Vaughan
