**MOTION FOR EXTENSION OF TIME TO FILE NON-DISPOSITIVE MOTIONS**

Pursuant to the Presiding Officer’s June 5, 2023 Order Scheduling Hearing and Prehearing Procedures (the “Scheduling Order”), non-dispositive motions in the above-captioned matter must be filed no later than November 10, 2023. On November 2, 2023, the Eighth Circuit Court issued an opinion in *Red River Valley Sugarbeet Growers Association, et al. v. Regan*, No. 22-1422. *See* Pet’rs’ Notice of Opinion from Eighth Cir. (Nov. 3, 2023).

Respondent requires additional time to consider appropriate next steps in response to the Eighth Circuit’s opinion. Accordingly, the U.S. Environmental Protection Agency (“EPA,” “Agency,” or “Respondent”) requests, for good cause, that the deadline for filing of non-dispositive motions be extended 17 days, to November 27, 2023. *See generally* 40 C.F.R. § 22.7(b). The requested extension will not prejudice the other parties to this matter. Intervenors do not oppose the filing of this motion; Petitioners take no position but reserve their right to oppose.

Respectfully submitted,

Dated: November 3, 2023
