UNOPPOSED STATUS REPORT

The Environmental Protection Agency Region 6 (Complainant) submits this statement with respect to the status of this matter.

The parties have a settlement-in-principle which includes a Supplemental Environmental Project (SEP) proposed by Respondent. In the two previous status reports, the parties stated that the Isleta Pueblo, although it is not a party, at one time claimed it was affected by Respondent's discharge and wanted to meet with Respondent to discuss the SEP. The meeting took place on February 19, 2016, and the Isleta Pueblo shared with Complainant on March 3, 2016, that it does not object to the SEP. As such, the Consent Agreement and Final Order is being finalized by Complainant and will be sent to Respondent for signature next week. The parties will have the CAFO filed by April 8, 2016.

Respondent has reviewed this statement and is not opposed to its contents.

Respectfully submitted,

Ellen Chang Vaughan
