**ORDER GRANTING MOTION for EXTENSION OF
ALTERNATIVE DISPUTE RESOLUTION PROCESS**

The Alternative Dispute Resolution (ADR) process in this matter expired on December 17, 2010. However, in a teleconference on December 16, 2010, Complainant represented that it needed additional time and information to evaluate Respondent's claim that it lacked the ability to pay the proposed penalty. The parties's joint motion, dated December 16, 2010, confirms this representation and indicates that it is likely that granting the motion will lead to a settlement of this proceeding. Good cause having been shown, the motion is granted and the ADR process in this matter is extended to and including **January 18, 2011**.

Dated this 29th day of December 2010.
