set forth in the Enforcement Response Policy for Section 313 of EPCRA (“ERP”), dated August 10, 1992, and the Interim Data Quality Amendment to the EPCRA Section 313 Enforcement Response Policy, dated April 12, 2001, Complainant requests that the Administrator assess against Respondents a civil administrative penalty of up to \$32,500 or \$37,500 per day for each violation of the Act, as set forth above.

OPPORTUNITY TO REQUEST A HEARING

The Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties and the Revocation/Termination or Suspension of Permits (“Consolidated Rules of Practice”), 40 C.F.R. Part 22, govern these proceedings.

Under these rules, you have the right to request a hearing. Any request for a hearing must be in writing and must be filed with the Regional Hearing Clerk, U.S. Environmental Protection Agency, Region 9, 75 Hawthorne Street, San Francisco, California within twenty (20) days of receipt of this Second Amended Complaint. In the event that you intend to request a hearing to contest any material facts set forth in the Second Amended Complaint, to dispute the amount of the penalty proposed in the Second Amended Complaint, or to assert a claim for judgment as a matter of law, you must file a written Answer to this Second Amended Complaint with the Regional Hearing Clerk at the above address within twenty (20) days of receipt of this Second Amended Complaint. A copy of your Answer should also be sent to:

David H. Kim
Assistant Regional Counsel (ORC-3)
U.S. Environmental Protection Agency, Region 9
75 Hawthorne Street
San Francisco, CA 94105

Your Answer should clearly and directly admit, deny, or explain each factual allegation

contained in this Second Amended Complaint with regard to which you have any knowledge. The Answer should state: (1) the circumstances or arguments which are alleged to constitute the grounds of defense; (2) a concise statement of the facts which you intend to place at issue in the hearing; and (3) whether a hearing is requested. Hearings held in the assessment of the civil penalties will be conducted in accordance with the provisions of the Administrative Procedures Act, 5 U.S.C. §§ 551 et seq., and the Consolidated Rules of Practice. See 40 C.F.R. Part 22.

If you fail to file an Answer to this Second Amended Complaint with the Regional Hearing Clerk within twenty (20) days of receipt, such failure shall constitute an admission of all facts alleged in the Second Amended Complaint and a waiver of your right to a hearing. The proposed penalty shall become due and payable by you without further proceedings sixty (60) days after a final order issued upon default.

SETTLEMENT CONFERENCE

EPA encourages all parties against whom civil penalties are proposed to pursue the possibilities of settlement through informal conferences. Therefore, whether or not you request a hearing, you may confer informally with the Agency concerning the alleged violation or the amount of the proposed penalty. You may wish to appear at the conference yourself or be represented by counsel. If a settlement is reached, it shall be finalized by the issuance of a written Consent Agreement and Final Order by the Regional Judicial Officer, EPA, Region IX. The issuance of such Consent Agreement and Final Order shall constitute a waiver of your right to request a hearing of any matter stipulated to therein.

To explore the possibility of settlement in this matter, address your correspondence to:

David H. Kim
Assistant Regional Counsel (ORC-3)
U.S. Environmental Protection Agency, Region IX
75 Hawthorne Street

San Francisco, CA 94105

His telephone number is (415) 972-3882.

Instead of requesting an informal settlement conference or filing an Answer requesting a hearing, you may choose to pay the proposed penalty. In order to do this, please contact Mr. Kim to arrange for the preparation of a Consent Agreement and Final Order.

After this Second Amended Complaint is issued, the Consolidated Rules of Practice prohibit ex parte (unilateral) discussion of the merits of any action with the EPA Regional Administrator, Chief Judicial Officer, Administrative Law Judge, or any person likely to advise these officials in the decision of this case.

Dated at San Francisco, California on this ²⁸__ day of January, 2013.
