ORDER GRANTING MOTION FOR EXTENSION OF TIME

On December 4, 2008, a Prehearing Order was issued in this matter requiring Complainant to file its Prehearing Exchange or the parties to file a Consent Agreement and Final Order (CAFO) no later than January 30, 2009. On January 26, 2009, Complainant filed a Motion for Extension of Time, requesting an extension of fourteen days to Complainant's prehearing exchange.

Grounds stated in the Motion are that Complainant has received the CAFO signed by Respondent, but that additional time is needed for EPA to concur, execute and file the CAFO. The Motion states that Respondent's counsel was informed of the Motion and represented that he does not oppose the relief sought.

For good cause, the Motion for Extension of Time is **GRANTED**. Generally, due dates are set for both parties to file prehearing exchanges, so that the proceeding is not delayed in the event that a CAFO is not finalized.

Accordingly, if the parties have not filed the fully executed Consent Agreement and Final Order beforehand, Complainant shall file its Initial Prehearing Exchange on or before **February 13, 2009**, and the Respondent shall file its Prehearing Exchange on or before **March 6, 2009**.
