The U.S Environmental Protection Agency (“EPA” or “Complainant”) filed a Complaint on April 16, 2025, against Lake Burger Holdings, LLC (“Respondent”) alleging violations of Section 311 of the Clean Water Act. On April 21, 2025, Complainant completed service of the Complaint on Respondent. Respondent filed an Answer to Complaint and Request for Hearing on May 21, 2025.

On May 27, 2025, this Tribunal issued a Prehearing Order that required, *inter alia*, that Complainant and Respondent (collectively, “the Parties”) “engage in a settlement conference on or before June 13, 2025, and attempt to reach an amicable resolution of this matter.” The Prehearing Order also required Complainant to “file a Status Report regarding this conference and the status of settlement on or before June 20, 2025.”

The Parties engaged in a settlement conference on June 10, 2025. During the settlement conference the Parties reached an agreement in principle. Complainant provided a copy of a Consent Agreement and Final Order (“CAFO”) to Respondent memorializing the agreed upon settlement. On June 17, 2025, Respondent signed and returned the CAFO to Complainant.

Complainant will execute the CAFO, file it with the Regional Judicial Officer (“RJO”) for approval, and file a courtesy copy with this Tribunal as required by the Prehearing Order once it has been entered.

Respectfully submitted this 18th day of June 2025.
