Pursuant to 40 C.F.R. § 22.7(b), Respondent, BP America Production Company ("hereinafter "Respondent"), through its attorneys, Davis Graham & Stubbs LLP, hereby submits this Motion Requesting an Extension of Time to Respond to Complainant's Motion for Partial Accelerated Decision on Liability as follows:

<u>Unopposed Motion For Extension of Time to Respond to Complainant's Motion for Partial Accelerated Decision on Liability and Request for Expedited Ruling</u>

Undersigned counsel has conferred with EPA's counsel regarding the relief sought by this motion. EPA's counsel indicated that EPA does not object to the relief sought herein provided that BP does not object to a reasonable extension of time for EPA to supplement its initial disclosures, if necessary, based on BP's response.

The United States Environmental Protection Agency ("EPA"), Region 8 served, via U.S. mail, a Motion for Partial Accelerated Decision on Liability on December 22, 2014.

Respondent's response is currently due on January 12, 2015. Due to the intervening holidays and the complexity of the issues raised by the Motion, Respondent and undersigned counsel have not had a sufficient opportunity to prepare a response. Accordingly, Respondent respectfully

requests a two-week extension of time through January 26, 2015 to file its response. This reasonable extension of time will not prejudice Complainant because this proceeding is at an early stage, disclosures have not yet been exchanged, and a hearing date has not been set.

WHEREFORE, for the reasons stated above, Respondent respectfully requests that its request for a two-week extension of time be GRANTED.
