ORDER ON RESPONDENT’S SECOND UNOPPOSED MOTION FOR EXTENSION OF TIME

This proceeding was initiated on December 18, 2024, when Complainant, the Director of the Enforcement and Compliance Assurance Division in Region 10 of the U.S. Environmental Protection Agency (“EPA” or “Agency”), filed a Complaint against Respondent Jackson & Son Distributors, Inc., doing business as Jackson and Son Oil, pursuant to Section 311(b)(6) of the Clean Water Act (“CWA”), 33 U.S.C. § 1321(b)(6). On April 6, 2026, Complainant filed a Motion for Accelerated Decision, and by Order dated April 16, 2026, I accepted the motion out of time and directed Respondent to file any response by May 1, 2026. At Respondent’s request, I extended that deadline to June 5, 2026, because of the parties’ ongoing settlement discussions. Before me now is Respondent’s second Unopposed Motion for Extension of Time (“Motion for Extension”), filed on June 3, 2026, in which Respondent moves to extend the deadline for its response again, this time to July 8, 2026.¹ As grounds for the extension, Respondent asserts that the parties are still engaged in settlement negotiations but that it was necessary to reschedule a settlement conference. Respondent further asserts that Complainant does not object to its request.

This matter is governed by the Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties and the Revocation/Termination or Suspension of Permits (“Rules of Practice” or “Rules”) set forth at 40 C.F.R. Part 22. The Rules of Practice provide that I “may grant an extension of time for filing any document: upon timely motion of a party to the proceeding, for good cause shown, and after consideration of prejudice to other parties; or upon its own initiative.” 40 C.F.R. § 22.7(b). Here, Respondent’s Motion for Extension was timely and shows good cause. The interests of the parties and judicial economy are well served by the parties resolving this matter informally and expeditiously, and as reflected in the Rules, Agency policy supports settlement of a proceeding without the necessity

¹ In its Motion for Extension, Respondent requests a 30-day extension, which would extend the deadline for its response to Complainant’s Motion for Accelerated Decision from June 5 to July 5, 2026. But then Respondent identifies July 8, 2026, as the specific deadline it is seeking.

of a formal hearing. See 40 C.F.R. § 22.18(b)(1). Moreover, Complainant does not object. Accordingly, the Motion for Extension is hereby **GRANTED**. Respondent shall now file any response to Complainant's Motion for Accelerated Decision by **July 8, 2026**, and Complainant shall file any reply within 10 days after service of such response. See 40 C.F.R. § 22.16(b).

SO ORDERED.
