**ORDER GRANTING SECOND EXTENSION OF
ALTERNATIVE DISPUTE RESOLUTION PROCESS**

The parties have jointly requested an additional 30-day extension of the Alternative Dispute Resolution (ADR) in this proceeding. The parties held a conference call on April 12, 2011, during which they informed the undersigned that they have made significant progress towards a settlement, including having reached an agreement on a penalty figure. However, the parties have not reached an agreement in regards to Respondent's proposed payment plan for the penalty, and the company's associated claims that it will have difficulty paying the amount of the penalty at once. Complainant needs additional time to review financial information submitted by Respondent in support of those claims. The ADR process will expire on April 21, 2011. Accordingly, the time period provided for ADR is extended for a final 30-day to and including May 21, 2011.

Dated this 15th day of April 2011.
