ORDER GRANTING REQUEST FOR EXTENSION OF TIME

A Prehearing Order was issued in this matter setting a due date of March 11, 2011 for the parties to file a Consent Agreement and Final Order (CAFO) or for Complainant to file its Initial Prehearing Exchange, and a due date of April 1, 2011 for Respondent's Prehearing Exchange. Complainant submitted a Motion Informing Agreement In Principle Reached by the Parties and Request for Extension of Time to File Executed Consent Agreement and Final Order ("Motion"), dated March 9, 2011, requesting a 60-day extension of time, until May 9, 2011, to file the CAFO.

The Motion states that the parties have reached a settlement in principle and need sufficient time to finalized the CAFO and obtain all necessary signatures and approvals. The Motion refers to the complexity of the review and concurrence process, and indicates that Respondent agreed to the filing of the Motion.

A sixty day extension of time is generally not granted unless the parties had demonstrated a need for such a lengthy period of time. However, there is a need for extra time in cases arising in Puerto Rico due to the additional complexity of the review and concurrence process for those cases.

The Motion is hereby **GRANTED** for good cause. Where the parties have reached a settlement, it is appropriate to set the due date for the CAFO to be filed or for both parties to file their prehearing exchanges simultaneously in the event the CAFO is not filed by that date. Accordingly, the parties shall file the fully executed Consent Agreement and Consent Order (CAFO), or their prehearing exchanges, on or before **May 9, 2011.**
