ORDER ON JOINT MOTION FOR EXTENSION OF TIME

By Joint Motion dated January 28, 2008, the parties moved for an extension of the deadline for filing their joint stipulations, dispositive motions, and prehearing motions until February 14, 2008. As grounds therefor, the parties allege that they have reached a settlement in principle involving a number of Supplemental Environmental Projects.

The Motion is hereby, **GRANTED**, as set forth below:

Good cause exists for the granting of the Motion in that it is in the interest of the parties and judicial economy for the parties to settle this matter on amicable terms. The delay requested will not require a postponement of the hearing which is currently scheduled to begin on March 11, 2008. Therefore, the parties shall have until **February 14, 2008** to submit their joint stipulations, dispositive motions, and prehearing motions.
