DOCKET NO. TSCA-HQ-2015-5017

REPORT ON THE STATUS OF SETTLEMENT NEGOTIATIONS

On behalf of both parties, counsel for Complainant files the following Status Report. The parties conducted a status conference call on July 5, 2016. The parties continue to gather information and/or prepare materials to meet the filing deadlines specified in the Administrative Law Judge's Order of May 20, 2016. Subsequent to the termination of alternate dispute resolution in March, the parties have worked to schedule a call for purposes of additional settlement discussions, but have not yet had that call. However, both parties believe settlement is possible and continue to evaluate options.
