ORDER ON COMPLAINANT'S MOTION FOR EXTENSION OF TIME

A Order was issued in this matter on June 2, 2008 directing Complainant to show good cause for its failure to file its Prehearing Exchange by the established deadline of May 16, 2008. On June 6, 2008. Complainant filed a pleading entitled "Response to Order to Show Cause and Motion for Extension of Time to File Prehearing Exchange." In the Response portion thereof, Complainant acknowledges its error and takes responsibility for its failures proffering as good cause therefor the fact that this action is one of three related actions which it is attempting to simultaneously resolve and alleges in regard to such settlement certain obstacles and complications have arisen as to which guidance was required delaying execution of the settlement agreement. This nominal proffer of good cause is hesitantly accepted. Complainant's Motion for Extension portion of the pleading requests that the current deadlines established in the Prehearing Order be vacated and that it be granted an additional 30 days to file its Prehearing Exchange. As grounds therefor, Complainant indicates that it intends to move to consolidate this action with two other related actions in anticipation of filing a single Consent Agreement and Final Order in regard to all three matters. The Motion alleges that Respondent will not be prejudiced by the delay, but does not indicate that Respondent was advised of its intent to seek an extension prior to the filing of the Motion and what Respondent indicated what its position in regard thereto, as required by the Prehearing Order.

Nevertheless, for good cause shown, the Motion is hereby <u>GRANTED</u>. Accordingly, both parties shall simultaneously file their Prehearing Exchanges in this matter on or before <u>July 9, 2008</u> if the fully executed Consent Agreement and Consent Order (CAFO) has not yet filed by that date.
