ORDER GRANTING COMPLAINANT'S MOTION FOR LEAVE TO AMEND COMPLAINT

On March 31, 2010, the United States Environmental Protection Agency ("EPA"), Region 7, ("Complainant") initiated this proceeding by filing a Complaint and Notice of Opportunity for Hearing ("Complaint") against Moran Beef, Inc. ("Respondent"). The Complaint alleges in two counts that Respondent violated Sections 301, 308, and/or 402 of the Federal Water Pollution Control Act, commonly referred to as the Clean Water Act ("CWA"), as amended, 33 U.S.C. §§ 1311, 1318, and/or 1342 and the implementing regulations. The first count alleges that Respondent, a point source, discharged pollutants into a water of the United States without a National Pollutant Discharge Elimination System ("NPDES") permit. The second count alleges that Respondent failed to apply for a NPDES permit. Complainant sought a civil administrative penalty in an amount up to the statutory maximum of \$177,500.

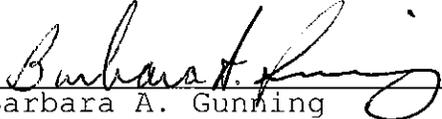

On February 1, 2011, Complainant filed a Motion for Leave to Amend Complaint ("Motion to Amend"), in which Complainant moves for leave to amend the Complaint to 1) include additional alleged CWA violations identified by EPA on follow-up inspections in June and September 2010, after the original Complaint was filed; 2) allege that Respondent is subject to CWA discharge requirements as a Large or Medium Concentrated Animal Feeding Operation ("CAFO"); and 3) amend the amount of the proposed penalty to \$79,000. Complainant also filed a proposed Amended Complaint and Notice of Opportunity for Hearing ("proposed Amended Complaint") as an attachment to the Motion to Amend.<sup>1/</sup>
