STATUS REPORT

In accordance with the Prehearing Exchange Order in the above reference matter, Complainant and Respondent are directed to engage in a settlement conference on or before July 24, 2015, and attempt to reach an amicable resolution to this matter. The Prehearing Order also directs Complainant to file a status report regarding the settlement on or before July 31, 2015.

On July 17, 2015, counsel for Complainant and counsel for Respondent participated in a settlement conference call. The Parties were unable to resolve this matter.
