BEFORE THE ADMINISTRATOR

IN THE MATTER OF

LHP, LLC  
130 N. 27<sup>th</sup> Street, #6  
Lincoln, Nebraska

Docket No. TSCA-07-2014-0029

Respondent

COMPLAINANT'S SECOND STATUS REPORT

Comes now Complainant United States Environmental Protection Agency, by and through its Counsel Robert W. Richards, and files this Second Status Report.

In the Complainant's Status Report filed on August 21, 2015, Complainant stated that:

"As of August 20, 2015, the parties have agreed to settlement. A Consent Agreement and Final Order (CAFO) with the settlement terms has been prepared and provided to Counsel for Respondent. Counsel for Complainant anticipates that the parties will conclude the matter in a timely manner."

Complainant reports that Respondent's Counsel has not requested any changes to the draft CAFO, but as of this date has not provided Complainant an executed signature page to the CAFO. Also, Complainant reports that despite repeated efforts by Complainant via phone message, email, and commercial delivery letter, Respondent's Counsel has not communicated to Complainant on this matter since August 28, 2015.

Accordingly, Complainant reports that Complainant is no longer aware of Respondent's position regarding settlement of this matter, and that Complainant can only speculate whether the parties will be able to conclude the matter in a timely manner.

Respectfully submitted,

Robert W. Richards, Attorney  
Office of Regional Counsel  
U.S. Environmental Protection Agency
