**COMPLAINANT'S REPORT ON THE STATUS OF A CONSENT AGREEMENT AND
FINAL ORDER**

In accordance with this Court's July 21, 2014, Order to Submit Status Reports, Complainant, the United States Environmental Protection Agency ("EPA"), hereby submits this report on the status of a Consent Agreement and Final Order ("CAFO") in the above captioned case.

On August 8, 2014, Complainant provided counsel for Geason Enterprises, L.L.C., GE Ventures, L.P., Hammerhead Off-Road, Inc., and TJ Power Sports L.L.C. (collectively "Hammerhead") and counsel for Shanghai Howhit Machinery Manufacture Co., Ltd., (together with Hammerhead, the "Settling Parties") with a draft of the proposed CAFO which was intended to incorporate the terms of the firm settlement previously reached between the parties. On August 13, 2014, all parties participated in a teleconference to discuss the terms of the draft CAFO. EPA anticipates the Settling Parties will provide EPA with a revised draft of the CAFO incorporating Settling Parties' comments on the draft agreement by August 15, 2014. All parties

will continue to work diligently to resolve any remaining drafting issues, prior to presenting a draft of the CAFO to the parties' respective management and clients for review and approval.

Respectfully Submitted,
