ORDER GRANTING MOTION FOR EXTENSION OF TIME

By Unopposed Motion dated January 20, 2011, the Complainant moved for an extension of time to file a response to Respondent's Motion to Dismiss.

The Unopposed Motion is hereby, **GRANTED**, as set forth below:

Good cause exists for the granting of the Unopposed Motion in that the Complainant indicates therein that this matter carries "significant national precedence," is of importance to the Agency, and the participation of a "multiplicity of offices within the Agency" is required to respond to the Motion to Dismiss. In that this case was only recently instituted on December 8, 2010 and no further deadlines have been established in this matter, no prejudice will result from a brief delay. The Complainant shall have until **February 28, 2011** to file its Response to Respondent's Motion to Dismiss.
