ORDER GRANTING SECOND EXTENSION OF ALTERNATIVE
DISPUTE RESOLUTION PROCESS

Complainant has filed a Motion for Extension of Time to Continue ADR for an additional and final 30-days. An extension will allow Complainant to evaluate Respondent's inability to pay claim and address compliance issues arising from Respondent's current website marketing. Also, the parties are actively engaged in settlement discussions. Granting this motion will provide Complainant and Respondent sufficient time to determine the appropriate civil monetary penalty, complete negotiations, and finalize settlement to fully resolve the matter. The motion is unopposed. For good cause having been shown, the ADR period is extended for a final 30 days, or until September 5, 2009.
