

UNITED STATES ENVIRONMENTAL PROTECTION AGENCY
Region 2

In the Matter of

Veolia ES Technical
Solutions, L.L.C.

Respondent.

Proceeding under Section 3008 of the
Solid Waste Disposal Act, as amended.

Honorable Susan L. Biro, Presiding Officer

Docket Number RCRA-02-2019-7106

STATUS REPORT

This status report is provided pursuant to the directive issued by this Tribunal in its March 5, 2019 Prehearing Order.¹

The parties held a (telephone) settlement conference on March 20, 2019. After a background discussion, the violations alleged in the complaint and the penalty amount being sought for each violation were discussed, and there was an exchange of questions and answers. Preliminary settlement offers were tendered, and each side stated it would discuss the offers, however tentative, with its respective management. Both sides indicated a willingness and desire to settle the matter through negotiation, and, to that end, they have agreed to speak again on April 3, 2019 (after each has had an opportunity more fully to review the position of the other and discuss it with appropriate officials).
