PREHEARING ORDER

As you were previously notified, and because Alternative Dispute Resolution was not requested by both parties, I have been designated to preside in this proceeding, which is governed by the Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties and the Revocation/Termination or Suspension of Permits, 40 C.F.R. §22.1 et seq., (“Rules of Practice” or “Rules”). The Rules of Practice, and for further guidance, an informal Practice Manual and significant orders and decisions issued by the EPA Office of Administrative Law Judges, may be found on the office’s website at <http://www.epa.gov/oalj>. The parties are advised to familiarize themselves with the applicable statute(s) and the Rules of Practice.

Agency policy strongly supports settlement of a proceeding without a formal hearing. Procedures and policies regarding settlement are set forth in the Rules of Practice at 40 C.F.R. §22.18. If the parties have engaged in settlement discussions to resolve this matter, the parties are commended for taking the initiative to resolve this matter informally and expeditiously. The parties are reminded that pursuing this matter through a hearing and possible appeals will require the expenditure of significant amounts of time and financial resources. The parties should also realistically consider the risk of not prevailing in the proceeding despite such expenditures, and should consider that a settlement allows the parties to control the outcome of the case. The parties are encouraged to engage in further settlement negotiations during the course of this proceeding, to attempt to reach an amicable resolution of this matter.

The parties are directed to engage in a settlement conference, and Complainant shall file a **status report** as to the progress of settlement (without describing any specific terms or offers of settlement) on or before **November 30, 2012**. If the case is settled, the Consent Agreement and Final Order (CAFO) signed by the parties should be filed no later than **December 14, 2012**, with a copy sent to the undersigned.

If a CAFO is not finalized on or before the latter date, the parties must prepare for hearing and shall strictly comply with the prehearing requirements of this Order.

C. Respondent shall also submit the following as part of its Prehearing Exchange:

1. If Respondent has stated any affirmative defense(s) in the Answer, Respondent shall submit with respect to each such affirmative defense

(a) a narrative statement explaining in detail the legal and/or factual bases for such affirmative defense, and a copy of any documents in support; or

(b) a statement that Respondent intends that the affirmative defense be considered only in mitigation of a penalty; or

(c) a statement that Respondent is withdrawing the affirmative defense.

2. A narrative statement explaining in detail the legal and/or factual bases for any other assertions in the Answer defending against factual allegation(s) in the Complaint, and/or a copy of any documents in support of such assertion(s).

3. A narrative statement explaining why the proposed penalty should be reduced or eliminated, and a copy of any documents in support.

4. If Respondent believes that it is unable to pay the proposed penalty or that payment would have an adverse effect on its ability to continue to do business, a brief statement to that effect, and a copy of documents in support, such as tax returns and/or certified copies of financial statements.

D. Complainant shall submit as part of its Rebuttal Prehearing Exchange a statement and/or any documents in response to Respondent's Prehearing Exchange submittals.

The prehearing exchanges described above shall be filed in seriatim fashion, according to the following schedule:

| | | |
|--------------------------|---|--|
| December 14, 2012 | - | Complainant's Initial Prehearing Exchange |
| January 11, 2013 | - | Respondent's Prehearing Exchange, including any direct and/or rebuttal evidence |
| January 18, 2013 | - | Complainant's Rebuttal Prehearing Exchange |

Section 22.19(a) of the Rules of Practice provides that, except in accordance with Section 22.22(a), any document not included in the prehearing exchange shall not be admitted into evidence, and any witness whose name and testimony summary are not included in the prehearing exchange shall not be allowed to testify. Therefore, each party is advised to carefully and thoughtfully prepare its prehearing exchange.

II. Supplement to Prehearing Exchange. If a party wishes to present at the hearing any additional exhibit(s) or proposed witness(es), the party shall file a supplement to the prehearing exchange. Such supplement shall include a copy of the exhibit(s) and/or witness name and summary of testimony, as appropriate, and an accompanying motion to supplement the prehearing exchange explaining why the exhibit(s) or witness(es) were not provided in the prehearing exchange. Such supplements should be filed as soon as possible, and at least 15 days before the hearing. *See*, 40 C.F.R. § 22.22(a)(1).

III. Default and Opportunity for Hearing. The Complaint gave the Respondent notice and opportunity for a hearing, in accordance with Section 554 of the Administrative Procedure Act (APA), 5 U.S.C. § 554. In the Answer to the Complaint, the Respondent exercised its right to request such a hearing. In this regard, Section 554(c)(2) of the APA sets out that a hearing be conducted under Section 556 of the APA. Section 556(d) provides that a party is entitled to present its case or defense by oral or documentary evidence, to submit rebuttal evidence, and to conduct such cross-examination as may be required for a full and true disclosure of the facts. Thus, the Respondent has the right to defend against the Complainant's charges by way of direct evidence, rebuttal evidence or through cross-examination of Complainant's witness. Respondent is entitled to elect any or all three means to pursue its defenses. If the Respondent intends only to conduct cross-examination of Complainant's witnesses and to forgo the presentation of direct and/or rebuttal evidence, the Respondent shall file a statement to that effect on or before the date for filing its prehearing exchange.

The Respondent is hereby notified that if it fails to timely submit either a prehearing exchange as set forth herein, or a statement that it has chosen only to conduct cross-examination of the Complainant's witnesses, a default judgment may be issued against it. The Complainant is notified that if it fails to file its prehearing exchange in a timely manner, this case can be dismissed with prejudice. Active settlement negotiations or even a settlement in principle is NOT an excuse for failing to submit a timely prehearing exchange. Each party MUST comply with the filing deadlines UNLESS a fully executed CAFO is filed with the Hearing Clerk OR the Administrative Law Judge has granted that party an extension of time to file.

IV. Filing and Service. Each original document that is "filed" must be sent along with one copy to the Headquarters Hearing Clerk at the appropriate address shown below. A copy of any filed document shall also be "served" on the opposing party and a copy shall be served on the undersigned at the appropriate address shown below. A signed and dated certificate of service must be attached to all filed and served documents. 40 C.F.R. § 22.5(a)(3).

A document is "filed" on the date the Headquarters Hearing Clerk receives it, according to the Rules, 40 C.F.R. § 22.5(a). Therefore, the parties should send a document in enough time before it is due so that the Hearing Clerk will receive it by the due date. To ensure that the undersigned receives a document on time, a courtesy copy may be sent to the office of the undersigned by email, at oaljfilings@epa.gov, or by facsimile, at (202) 565-0044. VI. Courtesy Copies. If any party wishes to receive, by e-mail or by facsimile, an expedited courtesy copy of decisions and substantive orders issued in this proceeding, the party shall submit a request for expedited courtesy copies by letter addressed to Knolyn Jones, Legal Staff Assistant, Office of Administrative Law Judges, U.S. Environmental Protection Agency, Mail Code 1900 L, 1200 Pennsylvania Avenue, N.W. Washington, D.C. 20460 or sent to her by email at oaljfilng@epa.gov. The letter shall include the case docket number, the e-mail address or facsimile number to which the copies are to be sent, and a statement as to whether the party requests: (A) expedited courtesy copies of the initial decision and/or any orders on motion for accelerated decision or dismissal, or (B) expedited courtesy copies of all decisions and substantive orders. The undersigned's office will endeavor to comply with such requests, but does not guarantee the party's receipt of expedited courtesy copies.

VII. Procedures for Motions and Extensions of Time. A party intending to file a motion is directed to contact the other party or parties to inquire whether it has any objection to the relief sought in the motion. The motion shall then state whether or not the other party objects to the relief sought. A party must not assume that an unopposed motion will be granted.

All motions must be submitted in sufficient time to allow the other party or parties to file a response and/or to allow time for a ruling on the motion before the hearing or any relevant deadline set by this or any subsequent order. The Rules of Practice, 40 C.F.R. §§ 22.16(b) and 22.7(c), allow a 15-day response period for motions with an additional five days if the pleading is served by mail. Any party requesting an extension of time to file a document must file a written motion in accordance with 40 C.F.R. §§ 22.5, 22.7(b) and 22.16, which should be received by the undersigned at least one day prior to the due date if unopposed, and at least a week prior to the due date if opposed. Motions not filed in a timely manner may not be considered.

VIII. Dispositive Motions. If Respondent in its Answer has requested dismissal of the Complaint, Respondent is advised that such request does not constitute a motion under 40 C.F.R. § 22.16(a) as it does not state the grounds for a motion with particularity. If the Respondent seeks dismissal of the Complaint, or any portion thereof, it may file a motion for dismissal in accordance with 40 C.F.R. §§ 22.5, 22.16 and 22.20.

If a party intends to file any dispositive motion regarding liability, such as a motion for accelerated decision or motion to dismiss under 40 C.F.R. § 22.20 (a), it shall be filed **within thirty days after the due date for Complainant's Rebuttal Prehearing Exchange.**

SO ORDERED.
