SUMMARY OF TELEPHONE CONFERENCE

STATEMENT OF AGREEMENT AND RULING

This document summarizes the February 14, 1996 telephone conference, and states for the record the agreement reached and ruling issued during the conference. Representing Complainant was David M. Jones, and representing Respondent was Kevin J. Phillips.

In the conference, Respondent explained his defense to the Complaint. Since at this point this defense appears nowhere in the written record, it was agreed that by February 29, 1996 Respondent will submit a letter setting forth this defense.

It was ruled that Complainant's Motion for a Default Order is denied. Respondent had failed to file a prehearing exchange, as stated in the Motion. Nevertheless, since Respondent is appearing in this case without legal counsel and may not have appreciated the consequences of that failure to file, Respondent is given another chance to state his case through the letter due February 29, 1996. Where possible, it is always desirable to decide a case on the merits, rather than on a procedural point.
