ORDER CANCELING EVIDENTIARY HEARING

On September 27, 1996, the parties filed a joint request for an extension of time to file pretrial motions and also asked that the scheduled evidentiary hearing be continued. The basis for the motion is that the parties have reached an agreement in principle to settle this cause. Since good cause has been shown, the parties request for an extension of time to file the pretrial motions is granted, as is the request that the evidentiary hearing be continued.

Accordingly, the Regional Hearing Clerk is directed to notify the hearing facility and the court reporter of the cancellation of the hearing. In light of the agreement in principle, no further dates for prehearing motions or for hearing will be scheduled at this time. However, the parties shall submit a written status report regarding settlement on October 30, 1996, unless a Consent Agreement and Final Order have been executed and filed by that time.

SO ORDERED.
