Complainant's current response deadline is May 26, 2025. Order Granting Unopposed 4th Mot. for Extension of Time (Mar. 18, 2025). Complainant represents that newly discovered information may impact the disposition of this case, and that Complainant anticipates that it will need until June 9, 2025, to analyze and process that new information. This matter is governed by the Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties and the Revocation/Termination or Suspension of Permits ("Rules of Practice") set forth at 40 C.F.R.
