REPORT RECOMMENDING CONTINUATION
OF ALTERNATIVE DISPUTE RESOLUTION PROCESS

The Report approved June 30, 2015 provides that this alternative dispute resolution (ADR) process terminates August 10, 2015. The recommendation of this Report is that the ADR process be continued for the *final* month, to September 10, 2015.

This continuation of the ADR process is recommended because the parties' negotiations have made significant progress toward a settlement, but additional time is needed if a settlement is to be actually concluded. In a status report filed August 6, 2015 both parties requested that the ADR process be continued. The parties' chances of achieving a settlement are sufficient to justify the requested continuation.

Accordingly, the undersigned will continue to work as a Neutral in this case and will file another report with the Chief Administrative Law Judge by September 10, 2015 unless otherwise directed by her.
