Reason for Inspection

For the purpose of inspecting sites where pesticides are being used, to collect data on the use of pesticides and to determine whether pesticides are being used in compliance with the Federal Insecticide, Fungicide, and Rodenticide Act; and for the purpose of inspecting sites where pesticides have been used to determine whether the pesticides were used in compliance with the Federal Insecticide, Fungicide, and Rodenticide Act.

Violation suspected:

Pursuant to inspection authority at Section 8(b) of the Federal Fungicide and Rodenticide Act ('FIFRA'), 7 U.S.C. § 136f(b), the United States Environmental Protection Agency ('EPA') intends to conduct an inspection of the Adelanto ICE Processing Center to determine the Center's compliance with FIFRA in applying the disinfectants and other pesticides at the Center. In accordance with Section 9(a) of FIFRA, 7 U.S.C. § 136g(a), this letter also serves as a Notice of Inspection "For Cause" because, based on recent reports received, employees of the Center are suspected of using disinfectants in a manner inconsistent with their labeling, in violation of FIFRA § 12(a)(2)(G), 7 U.S.C. § 136j(a)(2)(G). Typically, "for cause" inspections are unannounced, but EPA is providing notice for your convenience.
