<p><b>EMISSION CONTROL SYSTEM WARRANTY</b></p> <p>Tecno is the emission control system warranty limited to the owner's manual. The copy of the owner's manual is available upon request.</p> <p><b>YOUR WARRANTY RIGHTS AND OBLIGATIONS</b></p> <p>The U.S. Environmental Protection Agency and Tecno USA Inc. (hereinafter "Tecno USA") are pleased to explain the emission control system warranty on your 2012 Model Year CF-ATV. These vehicles must be designed, built and equipped to meet U.S. EPA Federal over the full useful life.</p> <p>Tecno USA must warrant the emission control system on your vehicle for 3,000 km or for 30 months, whichever comes first, provided that there has been no abuse, neglect or improper maintenance of your vehicle.</p> <p>Your emission control system may include parts such as the carburetor or fuel injection system, the ignition system, catalytic converter and engine computer, if it is equipped. Also included may be hoses, belts, connectors and other emission-related assemblies.</p> <p>Where a warrantable condition exists, Tecno USA will repair your vehicle at no cost to you, including diagnosis, parts and labor.</p> <p>If an emission-related part on your vehicle is defective, the part will be repaired or replaced by Tecno USA. This is your emission control system defects warranty.</p> <p><b>NOTICE!</b> Use of any Tecno USA vehicles in any type of competitive event, competency and absolutely voids this and all other warranties offered by Tecno USA.</p>	<p><b>OWNER'S WARRANTY RESPONSIBILITIES</b></p> <p>As the vehicle owner, you are responsible for the performance of the required performance label in your owner's manual. Tecno USA recommends that you retain all repair covering detailed instructions that you retain all Tecno USA cannot deny warranty solely because your vehicle is not your failure to ensure the performance of the required amount of repair.</p> <p>You are responsible for presenting your vehicle to the Tecno USA center as soon as a problem exists. **EMISSION CONTROL SYSTEM WARRANTY**

Below is the emission control system warranty printed in the owner's manual, the copy of the owner's manual is available upon your request.

**YOUR WARRANTY RIGHTS AND OBLIGATIONS**

The U.S. Environmental Protection Agency, and **Taotao USA Inc.** (hereinafter "Taotao USA") are pleased to explain the emission control system warranty on your 2012 Model Year CFMC. New vehicle must be designed, built and equipped to meet U.S. EPA Federal over the full useful life. Taotao USA must warrant the emission control system on your vehicle for 5,000 km or for 30 months, whichever comes first, provided that there has been no abuse, neglect or improper maintenance of your vehicle.

Your emission control system may include parts such as the carburetor or fuel injection system, the ignition system, catalytic converter and engine computer, if it is equipped. Also included may be hoses, belts, connectors and other emission-related assemblies.

Where a warrantable condition exists, Taotao USA will repair your vehicle at no cost to you, including diagnosis, parts and labor.

If an emission-related part on your vehicle is defective, the part will be repaired or replaced by Taotao USA. This is your emission control system defects warranty.

**NOTICE:** Use of any Taotao USA vehicles in any type of competitive event completely and absolutely voids this and all other warranties offered by Taotao USA.

**OWNER'S WARRANTY RESPONSIBILITIES**

As the vehicle owner, you are responsible for the performance of the required maintenance listed in

From: Isin, Amelie <Isin.Amelie@epa.gov>  
Sent: Wednesday, November 06, 2013 6:06 PM  
To: Andrew Loll; Colin Wang  
Cc: Wick, Anne; Thompson, Christopher  
Subject: Taotao exhaust system samples

Andy, Colin,

A shipment of 10 exhaust systems (in 2 boxes) that I collected at Taotao's Dallas warehouse is on its way to you. It should arrive on Monday. (Cost was \$27.83 to ERG's Fedex account.)

Here is a list of what to expect:

ETAOC.049MC2 (2 samples)  
ETAOX0.12A1T (2 samples)  
DTAOC.150MC2 (2 samples)  
DTAOX0.15G2T (2 samples)  
DTAOX.124AAA (1 sample)  
DTAOC.049MC2 (1 sample)

Where there are two samples per engine family, the samples are from the same model and entry.

For now, I would like ERG to look at one sample per engine family (6 samples in total) and check the catalyst dimensions, cell density and precious metal composition using the Horiba (once it has been recalibrated). We can then decide what to do with the duplicate samples.

Thanks,  
Amelie

From: Colin Wang [Colin.Wang@erg.com](mailto:Colin.Wang@erg.com) [mailto:Colin Wang [Colin.Wang@erg.com](mailto:Colin.Wang@erg.com)]

Subject: six exhaust systems received

Hi Amelie - we received the exhaust systems yesterday afternoon and are begging extraction and analysis today. We will have the results to you by COB Thursday.
