STIPULATION TO EXTEND  
PREHEARING FILING DEADLINES

**STIPULATION TO EXTEND PREHEARING FILING DEADLINES**

The parties in this case, hereby stipulate and agree as follows:

That, in consideration of:

- (1) Respondent's estimated timeline for its gathering and submittal of additional financial information requested by Complainant to support Complainant's inability to pay analysis;
- (2) Complainant's estimated timeline for completion of the inability to pay analysis and accompanying expert report prepared by Complainant's outside consultant following receipt of Respondent's complete financial documentation; and
- (3) The possibility that evaluation of Respondent's financial documents might result in a negotiated settlement being quickly effected (saving both time and resources on behalf of both Respondent and Complainant),

Respondent and Complainant accordingly agree the following new proposed prehearing filing schedule would be in the best interest of the parties and therefore request the Tribunal grant the following schedule extensions:

<b>August 9, 2024</b>	Complainant's Rebuttal Prehearing Exchange;
<b>August 23, 2024</b>	Any joint motion for appointment of a neutral; and
