Ms. Hertz Wu,

I hope that this email finds you well. I represent the Northern Cheyenne Tribe and the Northern Cheyenne Utility Commission on matters relating to the Lame Deer lagoon renovation. I received a copy of a complaint relating to Adamas Construction's application of biosolids on the Reservation (attached).

Can you please let me know if Adamas submits a response and if a hearing is scheduled, or if there are other aspects of the enforcement that may impact the Tribe or NCUC?

Feel free to email or call at the number below. I have cc'd another attorney in my office, as well as President Peña and the Director of NCUC, Adam Spang.
