Sara,

Will do. Thanks for the quick reply. I hope you are making an early start to the holidays and that yours are enjoyable.

Sara,

I did speak with Nathan. I think the best thing to do is oppose the amendment and submit our own motion for extension based on that, which will naturally affect your January filing. As I am still ill I will have Nathan submit those unless he has changes to send back to me.

Thank you,

Chris

PS. I copied Nathan here and we will assume you oppose unless you indicate otherwise by COB. Sorry, I just might not be checking things, which makes the assumption necessary.
