Mr. Gallus and Mr. Pierce: Per the Court's Prehearing Order consultation requirement, I am writing to make you aware of a motion we are planning to file with the court before the end of the month. We received the 308 response from Tom Robinson, which had a placeholder as CX41 in both the Initial and Rebuttal Prehearing Exchange. We plan to file a motion with the Court to supplement the prehearing exchange in accordance with 40 C.F.R. 22.19(f). When we file the motion for leave to amend, we will also attach the exhibit.

Please let me know if you plan to oppose this motion.

Please feel free to contact me if you have questions.

Regards,

Sara Hertz Wu
