JOINT MOTION FOR EXTENSION OF TIME

The Prehearing Order dated June 4, 2019: requires that "if the case is settled, a fully executed Consent Agreement and Final Order shall be filed with the Clerk of the Environmental Appeals Board no later than July 12, 2019 ... " The Order also states that "if a fully-executed Consent Agreement and Final Order is not filed ... the parties must prepare for hearing and shall strictly comply with the following pre hearing requirements of this Order." The Order also states that Complainant's Initial Prehearing Exchange is due on July 12, 2019.

The parties have engaged in good faith negotiations and have reached an agreement to fully settle this matter. A Consent Agreement and Final Order is currently being drafted, will be fully executed by both parties, and will then be presented to the Regional Judicial Officer for EPA Region 7 for her signature and filed with the Regional Hearing Clerk for EPA Region 7. As it is possible that this process may not be fully completed by July 12th, both parties jointly request for good cause pursuant to Rule 22.7(b) of the Consolidated Rules of Practice (40 C.F.R. § 22.7(b)) that the Consent Agreement Final Order and Initial Prehearing Exchange due dates be extended forty-five days, from July 12, 2019 until August 2, 2019, with other deadlines being extended accordingly.

This Joint Motion for Extension of Time is being made in good faith and is not intended to delay this matter.

Respectfully submitted on July 10, 2019.
