**ORDER GRANTING MOTION FOR
ALTERNATIVE DISPUTE RESOLUTION**

On November 7, 2016, the parties to this action submitted a Status Report and Joint Motion for Alternative Dispute Resolution (Motion). In the Motion, the parties noted that they had unsuccessfully engaged in a settlement conference on their own, and presently believe that participating in this Tribunal’s Alternative Dispute Resolution (ADR) process might prove beneficial to the resolution of the matter. Further, they noted that they had not previously opted into the ADR process.

For good cause shown, the parties Motion is **GRANTED**. This case is hereby referred to the Headquarters Hearing Clerk for reassignment to an ADR Neutral. All deadlines previously established in this matter are stayed and will be reset if and when the case is referred back to the litigation docket for hearing.

SO ORDERED.
