Greetings, per our conversation earlier this morning and as outlined in item 1. of the answer, I have challenged subject matter jurisdiction so it would be inappropriate for me to engage in any formal proceedings, however as I mentioned earlier on the phone. The two pages of Terms and Conditions mentioned in both the Work Detail Agreement that Mr. Foley did enter, and in the emails, have been withheld from the mountain of paperwork he did file. This will of course come up in U.S District Court if necessary and leaves him open for a Bevins action as he is in fact a federal employee unlike the so-called inspector.

Cordially,
Rob Lauter
