**COMPLAINANT'S REPLY MEMORANDUM IN SUPPORT OF
MOTION FOR LEAVE TO AMEND COMPLAINT AND COMPLIANCE ORDER**

Complainant, the Director of the Land and Chemicals Division, United States Environmental Protection Agency, Region 5 (Complainant or U.S. EPA), pursuant to 40 C.F.R. §§ 22.16 and 22.14(c) of the *Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties and the Revocation/Termination or Suspension of Permits* (Consolidated Rules or Rules), submits that on January 7, 2011, she received Respondent's Memorandum in Support of Complainant's Motion for Leave Amend the Complaint and Compliance Order. In it, Respondent does not oppose the proposed amendments that Mr. Laurence C. Kelly be added as a Respondent and that certain regulatory citations be replaced. While Complainant denies certain statements that Respondent makes in the narrative accompanying Respondent's Memorandum, and intends to offer evidence and argument at hearing to refute those statements, there appears to be no objection to the request for leave to amend.

Accordingly, Complainant requests that leave to amend the Complaint and Compliance

Order be granted so that the amended Complaint can be served and filed with the Regional Hearing Clerk.

Respectfully submitted this 12th day of January 2011,

A handwritten signature in blue ink, appearing to read "Thomas M. Williams", written over a horizontal line.
