Status Report & Request for Extension of Time

As directed, the parties engaged in settlement discussions. To enable further negotiation, the Complainant has requested that the Respondent provide information related to these proceedings and to do so within 14 days if possible. The Respondent also made a request of the Complainant. That request may engender further back and forth.

Further substantive negotiation will not be fruitful until the exchange of information is completed. Complainant respectfully requests that the date for the Complainant Prehearing Exchange be moved to October 28, 2022, to allow for negotiation of a settlement.

Submitted with the consent of Counsel for Respondent and on his behalf,

Michael Wagner
Counsel for Complainant
