REPORT RECOMMENDING NEW PERIOD OF
ALTERNATIVE DISPUTE RESOLUTION PROCESS

The Report approved July 10, 2014 provides that this alternative dispute resolution (ADR) process terminates August 18, 2014. The recommendation of this Report is that a new period of ADR, not to exceed two months, be granted.

In a conference call on August 27, 2014 the parties requested an extension of the ADR process. The extension of the ADR process is recommended because the parties' negotiations have developed the possibility of a settlement and there are extraordinary circumstances warranting the extension.

Inasmuch as the undersigned is without authority to grant an extended period of ADR, the case is returned to the Chief Administrative Law Judge for resolution of the pending request. Thereafter, if the request for an extension of ADR is granted, the case should be returned to the undersigned for continuation of ADR.
