JOINT MOTION FOR EXTENSIONS OF TIME

Judge Biro's May 10, 2018 Order Scheduling Post-Hearing Submissions sets deadlines for the parties' of their motions to conform the transcript and post-hearing briefs. The current deadline for the former is Friday, June 15, 2018, extended from June 11, 2018. During continued review of the transcript, it has become apparent that the errors are even more extensive than originally perceived – particularly regarding the second day's transcript. Correction of these error has proven difficult and time consuming---necessitating consultation with witnesses and substantial document review. Based on the foregoing, and in order to facilitate the filing of a joint motion to conform for those corrections that the parties agree on, the parties herby move this tribunal for an extension of the deadline to file motions to conform, from June 15 to June 22, 2018.

Therefore, on behalf of the parties in this matter, Respondent respectfully moves for the above extensions.
