**U.S. Environmental Protection Agency
Region 5**

**In the matter of: Joseph L. Bollig & Sons, Inc.
Docket No. CWA-05-2011-0008**

The U.S. Environmental Protection Agency (EPA), Region 5, hereby provides notice of the issuance of a Consent Agreement and Final Order (CAFO) to Joseph L. Bollig and Sons, Inc. (Respondent) for an alleged violation of Section 301 of the Clean Water Act (CWA), 33 U.S.C. § 1311.

EPA has alleged in the CAFO (as it incorporates the August 18, 2011 EPA administrative complaint), that in 2008-2009, Respondent, a private corporation doing business in the State of Wisconsin, was hired by the Mauston-New Lisbon Union Airport (Airport) to perform filling of an approximately 0.5 acre portion of a 7-acre wetland area on Airport property. The Airport is located in Juneau County, Wisconsin. The aforementioned filling activity was not authorized by a Department of the Army (Corps) permit, under Section 404 of the CWA, 33 U.S.C. § 1344. The filling activities occurred in a wetland that drains to a 1-mile long unnamed tributary to the Lemonweir River (a historical Traditional Navigable Water), which in turn enters the Wisconsin River, an interstate water body. Therefore, the abovementioned wetlands are subject to federal jurisdiction under the CWA.

EPA and Respondent have agreed to settle this matter without further litigation. Under the CAFO, Respondent has agreed to pay \$0 in civil penalties and achieve and maintain compliance with the CWA. Respondent was hired by the Airport to conduct work necessary to comply with a Federal Aviation Administration directive. Respondent asserts that it has an indemnification arrangement with the Airport. Respondent has performed restoration of the wetlands under a March 2011 after-the-fact Letter of Permission issued to the Airport by the Corps. (The Airport also failed to obtain a CWA Section 404 permit prior to the filling of the wetland area. EPA separately notified the Airport of such violation, and resolved that matter through a CAFO filed on October 18, 2011, under which the Airport agreed to pay \$15,000 in civil penalties based on ability to pay considerations.)
