

# Community Outreach 2005

TDK Components USA, Inc.

A faint, stylized background image of two hands shaking, symbolizing partnership or agreement. The hands are rendered in a light teal color against the darker teal background.

# Community Outreach 2005

- *Canongate Elementary School*
  - Recycling & Habitat Information Class
  - Wildlife Preservation Squirrel Feeder Project
- Ballard House Blitz Build
- JAFS (Spring Festival)
- JAFS (Japan-Fest Stone Mountain Park)
- Adopt-A-Mile

# Canongate Elementary School

- May 18, 2005
- Mrs. Zauner 2nd Grade Class
- Recycling & Habitat Information Class was conducted. Children were informed about TDK and their environmental standards and position as an Environmental leader in the community
- Wildlife Preservation was also introduced in the form of a hands on activity where each student built their own squirrel feeder
- This outreach program was conducted through communication and dedication to the preservation of our environment in accordance with TDK policies.

Amanda Anderson hands out materials and communicates with the children

Materials that were handed out and Squirrel feeders that were built by the students

# Ballard House Blitz Build

- June 4, 2005 ~ June 11, 2005
- Ballard House Blitz Build
- Glory Ballard, one of our employees received a call that changed her life, her parents home burned down and her father died trying to make it out of the house. Glory's mother had lost her husband of 43 years and all the memories and valuables she had ever owned.
- The community rallied around the Ballard family in support and introduced a program to help the family. TDK employees in support of our fellow employee donated their time and skills to the community assisted a great deal in completing the project which is now the Ballard Family Home.
- This project was completed and the Ballard family is as strong as ever.

From L to R: Glory Ballard, Bobby Wilkerson, Glory's Mother, Rodney Bridges, Jason Mizell

Ballard House Complete

# JAFS Spring Festival

- May 22, 2005
- JAFS Spring Festival in Peachtree City
- TCU participated in this festival Displaying and Promoting our business and environmental policies and project to the community to convey the TDK company's leadership in the community in regards to environmental excellence.
- The festival was a good promotional experience for the company and in conjunction with JAFS TCU will continue our community support.

Ken Takekawa and Steve Maloy discuss the TDK business to the community

Community members enjoy the local businesses and each others company

# JAFS

## (Japan-Fest Stone Mountain Park)

- September 24, 2005 ~ September 24, 2005
- Japan Fest 2005 at Stone Mountain Park
- Displaying and Promoting the business of TDK by showing products, giving free samples, answering questions and promoting our environmental policies via pamphlet and dialogue. TDK employees participated in a couple of different venues as volunteers. JAFS coordinated many shows
- Many people enjoyed a couple of days of fun and community awareness

booth

# Adopt-A-Mile (Spring)

- May 6, 2005
- Adopt A Mile Peachtree City
- A 1 mile stretch of Hwy. 74 (a highway in front of TCU) along with the TCU grounds were relieved of any trash or non-natural debris. Many TCU employees participated in this project and has been a success for many years
- The Fall Adopt A Mile will occur in October

TCU employees stand behind the trash and debris collected during the spring Adopt A Mile
