The California Integrated Waste Management Board has sent a formal press release and a list of all WRAP 2006 winners to local and statewide media representatives to publicize your achievements. Since we have found that media are more receptive to locally generated stories, we urge you to directly contact your local media and, by using the materials enclosed with this letter, encourage them to run an article regarding your accomplishments. Local press can also contact CIWMB's Office of Public Affairs, Mr. Lanny Clavecilla, at (916) 341-6302 for supporting information.
