Ladies and Gentlemen:

Subject: Correction to BASF Corporation 8(e) submission of December 28, 1994.

On December 28, 1994 BASF Corporation submitted the results of an acute toxicity study in Zebra fish. In that submission the chemical was incorrectly identified as "Reg. No. 94/11009". The correct identification is "BASF Lab.-No. 304 344 I".

Please note that this letter does not contain any confidential business information.

If you have any questions please call me at (313) 246-6867.

Very Truly Yours,

BASF Corporation
