Dear Sir or Madam:

As requested in the EPA letter of March 15, 1995, Hoechst Celanese Corporation is providing additional information regarding submission 8EHQ-1094-13218.

The action taken in response to the finding indicated in the submission includes the communication to workers and receivers of the substance of the adrenal gland effect observed in an animal test. This communication will be accomplished via substance MSDS and hazard label.

This submission contains no confidential business information.

If any further information is required, do not hesitate me at 908-231-3746.

Sincerely,

Richard A. Jourdenais / mcs
