PELRON®

August 13, 1987

DYNAMAC CORP
11140 Rockville Pike
Rockville, Maryland 20852

Contains No CBI

Attn: Roberta Wedge
Staff Scientist

Dear Roberta:

Please refer to your letter dated Aug. 3rd concerning
CAS. No 115-96-8 TRIS (2 Chloroethyl) ether.

Pelron Corp is currently manufacturing approximatly 100,000
pounds annually. All waste or by products are filter as solid
and sent to an approved land fill. In addition the product
is manufactured in an enclosed system.

Yours Very Truly

Edward L. Eubank
