RE: 8EHQ-97-13910

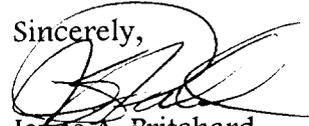

Dear Mr. Gross:

101-37-1

This is to confirm that the reports submitted pursuant to TSCA § 8(e) for the substance Triallylcyanurate (submitted on April 7, July 24, and August 4, 1997), as designated by the above referenced assigned 8(e) number, are not TSCA business confidential, even though labeled as "Confidential - Property of Degussa." This designation is on the original document and could not be removed for submission to EPA.

Please call me at (201) 807-3161 should you have any questions.

Sincerely,

Jayne A. Pritchard
