Dear Mr. O'Bryan:

Subject: Agency request regarding EPA Document Control Numbers  
8EHQ-0894-12967 and 0894-12968

Recently, in acknowledging receipt of substantial risk submissions for benzene (CAS No. 71-43-2) and ethyl violet base (CAS No. 596-49-6) from BASF Corporation, you requested copies of final reports for the two studies. BASF Corporation does not currently have copies of the reports; however, they have been requested from BASF AG, the sponsor of the studies.

Any reports that BASF obtains will be forwarded to the Agency as soon as they are obtained.

Very truly yours,

BASF CORPORATION
