Dear Sir or Madam:

As requested in the EPA letter of March 15, 1995, Hoechst Celanese Corporation is providing additional information regarding submission 8EHQ-94-12976.

The action taken in response to the finding indicated in the submission includes the communication to workers and receivers of the substance of the mutagenic activity observed in both In Vitro and In Vivo tests. This communication will be accomplished via substance MSDS.

This submission contains no confidential business information.

If any further information is required, do not hesitate me at 908-231-3746.

Sincerely,

*Richard A. Jourdenais*
