“Sanitized Copy”

**Substantiation for Claims of Confidentiality of the information in the TSCA 8(e) submission
8EHQ-01-14965**

[REDACTED] requests confidential treatment for the information in TSCA 8(e) submission 8EHQ-01-14965. Confidential treatment of the chemical identity of this material should be permanent, because this information is a valuable trade secret to [REDACTED].

Protection of Confidential Information

[REDACTED] does take measures to protect the confidentiality of the information in the TSCA 8(e) submission 8EHQ-01-14965. [REDACTED] has established a corporate standard practice, which sets requirements for the disclosure of proprietary information to outside parties. Such information must be disclosed only under the terms of a written confidentiality agreement following consideration of the reliability of the party to whom the information is given.

The information in the TSCA 8(e) submission 8EHQ-01-14965 for this material is unpublished information. Its content does not appear in any advertising, promotional materials, or other media available to the public or our competitors. Nor does the information in the TSCA 8(e) submission 8EHQ-01-14965 appear on material safety data sheets, product labels, or other shipping information.

In short, to the best of our knowledge, the information in the TSCA 8(e) submission 8EHQ-01-14965 is not reasonably available without our consent by persons outside [REDACTED]. Likewise, this information has not been available to third parties in the past.
